Happy to meet with you all, but I am not available Wednesday afternoon. But, can you please advise why there has been no trailers Tuesdays and Wednesdays? I am just trying to comprehend why services abruptly stopped. Referring back to Jasmin's initial response, I am guessing that dumping into the drain is an issue that is currently occurring, which is why we are proposing a meeting for permanent drains. The services has been successful here and Matt approved going forward with this!

Thanks!

Hi Tristen,

Thank you for following up. We are planning to provide a clean out drain at the park. Would you have time next week to do a site visit and map out a couple potential locations for the drain?

We will provide service at the park next Thursday with a vector truck in the interim.

Kindest,  
Jasmin

Hi All,

I hope you are well. I was just writing to inquire why the CARE showers been around lately? We have a large unhoused population in the park that can use these resources.

Thanks.

Best,  
Tristen
